Tom's Tales

"It isn't what you do, but how you do it."
John Wooden

The *Area 6 Rotary luncheon* a few weeks ago is still fresh in my mind. Our very own Mary Ann Sanders as M/C and the super supportive, great attendance of Sunrise members reminded me how proud I am to represent this club.

Thanks to James Baker, Vocational Chair and John Anderson for organizing the very cool and informative *vocational trip* to the MID/City of Modesto Water Treatment Plant at Modesto Reservoir and thanks to all the members that attended.

Next week myself and several club members and their spouses will be heading to the District 5220 Conference at Tenaya Lodge, Yosemite. The conference is an exciting time for clubs to be recognized for their work in their communities.

Mark your calendars for Salvation Army breakfast on the 28th, Craig Harris, Salvation Army chair always appreciates the help. Past President, Bob Fores great project "Ride for Mom" is Saturday, May 12, sign the entire family up for some fun (<http://rideformom.com/>). Boyett Petroleum Make Dreams Real Endowment Fund Golf Tournament is Thursday, May 17. There's still room for golfers or you can donate by purchasing Helicopter Ball Drop tickets, Keys to Carl's Wine Cellar tickets or just donate and Send a Kid to Camp (<http://makedreamsreal.org/>). Thank you to the many members that are volunteering at the tournament too. Our club receives \$25,000 annually from the Make Dreams Real Endowment fund.

Let's continue to grow, serve and "Make a Difference" in our world.

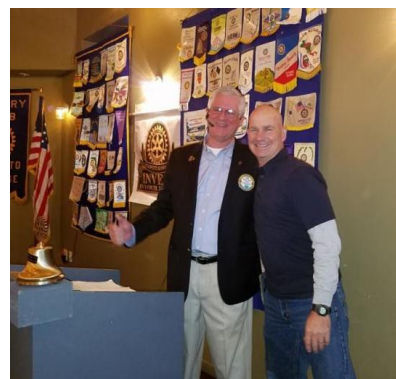

My e-mail box is always open, drop me a line, a tale, suggestions (tomlbryant@comcast.net).

See You Thursday Morning,
Tom

GOOD TO KNOW - Rotary History

And What's Happening Globally

April is Rotary International - Maternal & Child Health

Children and their mothers shouldn't have to struggle for survival. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation - all of which can be prevented. The Rotary Foundation helps mothers and children in need by providing communities the resources needed to take control of their own maternal and infant health care.

Throughout the month of April, Rotary International encourages fellow Rotarians to [check back here](#) for tips, resources, and inspirational success stories of Rotary International projects around the world.
