### Tom's Tales.

We're off to a great start with a year filled with new experiences and programs! Thank you members for your patience while we transition from the S.O.S Club to Ralston's Goat. Please don't hesitate to drop me a line ([click here](#)) if you have any comments or questions.

Adhering to my "Invest In Your Future" theme; remember you can promote your business events, sales, etc. with a quick message and/or flyers on the table. The cost is \$20, please clear your promo with me prior to the meeting. Invite one of the COG members to sit with you this week, there's a fine if you don't.

Thank you to our District Governor, Ray Capparos for his "regal" visit last week. We had a great dinner with my Board of Directors the night before. I was really, really proud of everyone and their plans for this year!

See you Thursday!

Tom

### WHO KNEW:? Member Generosity

Here's where we highlight some of the wonderful "generosity" feature Rotary is famous for tied to the highlights of Rotarians lives! President Tom brought back the Rotary baby spoons for all those who have a child or grandchild during this year. While playing catch up Claudia go caught up with a "big recognition"!

Pam Moreno went off on a cruise with another man... her Dad. Nice job Pam! And then 10% of our membership decided to have a "meeting' in on Maui -- without the rest of us. Glenn Robison, Craig Harris, Jeeni Casey and Jeff Jensen said it was worth the recognition!

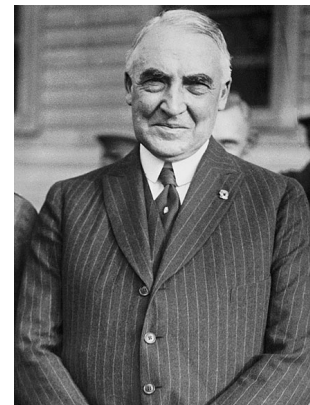

## GOOD TO KNOW - Rotary History

### And What's Happening Globally

It was 1923 at the Rotary Convention in St. Louis, Missouri when President Warren G. Harding became the first head of state to address Rotarians at convention. [For more Rotary history](#)

End Polio Now update - less than 40 children were paralysed by polio in 2016, the lowest number in history [Read on and give](#)
