Dear Rotarians,

Wrapping up the wonderful District Conference at Tenaya Lodge. My appreciation to everyone who made the event a huge success. Congratulations to TRACY SUNRISE, the District 5220 Outstanding Club for 2017-2018. To all the club winners, my appreciation for the great things you have done to Make A Difference. Let's widen and continue our Rotary commitment to make our world a better place not only for our children, but for the generation to come.

Did you remember to count the trees you have planted? How about the Presidential Citation that your club is entitled to? To complete the process please see the attached form and show your club accomplishments for this great 2017-2018 year.

The Vocational Training Team from District 3820 in the Philippines will be in our district from June 1-15. These are professional people who would like to gain more knowledge related to serving the senior population. Rotarians are volunteering housing and assistance for their busy schedules. If you would like to be involved contact Chris Daly at 209-743-6222 or email cdinsonora@aol.com or contact me on 209-493-8998 or email rayrotary2017@gmail.com.

District 5220 is known for providing changes in people's lives and Making a Difference in their respective community. A letter has been sent to all of you requesting your assistance regarding this matter. Kindly send your tax deductible support to District 5220 Disaster Relief Corporation c/o Joe Cotta 9414 Kost Road, Galt CA 95632.

Welcome Modesto Maharlika Rotary Club, the newest club in District 5220! Let's support and join with them to celebrate their Charter Night on June 15, 2018 at 6:00 PM, The Seasons, 945 McHenry Ave, Modesto 95350. Tickets for the evening celebration are available at \$45 each. Please RSVP by June 10th. Contact Dan Consuegra on 209-497-2778 or DG Ray on 209-493-8998.

For the current club leaders, it is "kickout" time! Thank you for the great Rotary work you have done and will continue to do. Did you accomplish your goals and Make a Difference? For DGE
