Annual Past District Governor Luncheon

Past, Current, and Incoming District 5220 Governors came together on June 4th at the Oakdale Golf and Country Club to congratulate DG Tia Saletta on a year well done and to offer advice to 2017-2018 Governor Ray Caparros. Most senior in attendance was PDG Bob Bitter 1987-88 followed by PDG Mike Mensinger 1988-89. Lots of good memories, friendship, knowledge and experience were shared by our District leaders, who continue to take an active role as resources and in leadership development for our district.

ROTARY INTERNATIONAL

Introducing 2017-18 Rotary International President Ian H.S. Riseley

Rotary Club of Sandringham, Victoria, Australia

Ian H.S. Riseley is a chartered accountant and principal of Ian Riseley and Co., a firm he established in 1976. Prior to starting his own firm, he worked in the audit and management consulting divisions of large accounting firms and corporations. His firm specializes in income tax and management advice for individuals and small businesses. He has a master's degree in taxation law and graduate diplomas in accounting and income tax.

District 5220 Governor Ray Caparros with RI President Ian H. S. Riseley and his wife, Juliet

Riseley has been a member of the boards of both a private and a public school, a member of the Community Advisory Group for the City of Sandringham, and involved in Sea Scouts and sporting groups, as well as honorary auditor or adviser for a number of charitable organizations.

Riseley's honors include the AusAID Peacebuilder Award from the Australian government in recognition of his work in East Timor, the Medal of the Order of Australia for services to the Australian community, the Distinguished Service Award and the Regional Service Award for a Polio-Free World from The Rotary Foundation.

A Rotarian since 1978, Riseley has served as treasurer, director, Foundation trustee, and member and chair of numerous RI and Foundation committees.

He and his wife, Juliet, a past district governor, are Major Donors and Bequest Society members of The Rotary Foundation. They live on seven hectares at Moorooduc, where they practice their personal philosophy of sustainable and organic living. They have two children and four grandchildren.

There are as many reasons to come to Rotary as there are Rotarians – maybe even a few more. But each of us has stayed in Rotary because it adds something to our own lives. Through Rotary, we are Making a Difference in the world; and the more involved we become, the more of a difference Rotary makes to each of us. Rotary challenges us to become better people: to become ambitious in the ways that matter, to strive for higher goals, and to incorporate Service Above Self into our daily lives.

What kind of difference Rotary clubs and individual Rotarians make through their service will always be their own decision. As an organization, we are guided by the three strategic priorities our Board has set in our strategic plan: to support and strengthen our clubs, to focus and increase our humanitarian service, and to enhance Rotary's public image and awareness.

In the year ahead, our clubs will have the support of a greatly augmented array of online tools, including a refreshed Rotary.org, a simplified Rotary Foundation grant application process, an improved My Rotary experience, and a rebuilt Rotary Club Central. As we look to strengthen our clubs, two specific challenges stand out in our membership: our gender balance and our average age. To keep our clubs strong, we need to build a membership that reflects the communities we serve and that will continue to develop knowledgeable leaders for generations to come.

Lodi Rotary Installs New President 2017-2018

Mr. Kirk Stangeland was recently installed as President of the Lodi Rotary Club for 2017-2018. The theme for the 2017-2018 Rotary year, Rotary Making a Difference, was recently announced by RI President Elect Ian Riseley. Mr. Stangeland will be part of the Rotary Team "Making a Difference" locally. Kirk is a resident of Lodi, graduated from the University of the Pacific, and is a retired Branch Manager for Santa Rosa based Pace Supply, Inc.

Kirk and his wife Shara of 34 years have been part of the Lodi Rotary Club since 2013. Kirk has been part of the Lodi Rotary leadership team since he was inducted into the club. Kirk is a member of numerous committees including: Foundation/Membership, District Leadership, Mid-Year Assembly, Grants Committee, and Training. Kirk is also known for his engaging speaking style and sense of humor which can be directly attributed to Norwegian heritage.

Rotary brings together a global network of volunteer leaders who dedicate their time and talent to tackle the world's most pressing humanitarian challenges. Rotary connects 1.2 million members from more than 200 countries and geographical areas. Their work impacts lives at both the local and international levels, from helping families in need in their own communities to working toward a polio-free world. Kirk's dedication to the Rotary Motto of "Service Above Self" will guide him throughout his Presidency for 2017-2018.

Stockton Commemorates the Past and Provides Comfort for those in Need Today...

Memorial Day Celebration at Weber Point

The Rotary Club of Stockton led a Memorial Day Celebration on May 29th at the WWII Memorial located at Weber Point in Stockton, California. The memorial was built as Past President Bob Blower's Presidential Project. He led the memorial with help from his granddaughter Caroline and member Gary Putnam. Folks gathered around the tiles that commemorate the fallen loved ones and spoke about the service of their family members. Songs were sung, taps was played and Jim Woodward, our three-war veteran, placed a wreath at the memorial.

Spanos Interact Animal Collection for Hope Haven

Spanos Interact Club, sponsored by the Rotary Club of Stockton, collected stuffed animals for Hope Haven's wheelchair distribution. The club members brought in stuffed animals and then asked staff members of Spanos School to help collect more animals. The toy animal collection will be given to children as they receive their wheelchairs.

Salida Rotary Continues to Capture #ThisCose Moments

Salida Rotary continues to prep for our 2017-2018 Public Pledge/ Rotary Awareness campaign. Dr Sessa of Salida Veterinary Hospital is our incoming President, and he leads the drive to raise awareness of Rotary in our community, and region. Not just our efforts to "END POLIO NOW", but our efforts to bring us closer to our National 2017-2018 theme of "making a difference".

Many members of Rotary Club of Saldia attended the Atlanta convention and took lots of photos as we continue to capture "this close moments" to highlight the #wearethiscloseSalidaRotary campaign.

Look for the launch of our #thisclose web page in the coming weeks, and consider making a pledge to help Rotary Club of Salida, as we "make a difference" locally and globally.

Twain Harte's Royal Flush Derby Rides Again!

Yes. They are at it again! Twain Harte Rotary held a spectacular event, The 4th Annual Royal Flush Crapper Derby at Flushing Downs in beautiful Twain Harte.

A great time was had by all, as the outhouses raced down the track. The little ones were treated to the famous Tot Pot Races, in which they were able to race a specially made potty chair. More than 40 craft vendors were on hand with their wares, and the Rotary Cub was selling hamburgers, hotdogs, beer, wine, and margaritas.

The winner of the event, Poop Stream, will be treated to attendance at the World Championship Outhouse Races in Virginia City, Nevada, where the team will race against the best of the best.

Wheelchairs to Nicaragua

District 5220, under the direction of the Madera Sunrise Rotary Club, is currently raising funds for the 17th container of wheelchairs which is destined for Nicaragua. Each container contains 280 wheelchairs in varying sizes. The sizes are determined by the Rotarians and medical personal in the country of distribution. The container of wheelchairs cost \$42,000 delivered to the country of distribution, a cost of \$150 per wheelchair.

You can log onto TheWheelchairFoundation.org and see a full story about the most recent distribution of container sixteen, recently distributed in the Philippines.

We would appreciate your support and participation in this project and an indication of any interest to participate in the distribution. A wheelchair can be purchased for \$150, with checks (tax-deductible) made to The Wheelchair Foundation and sent to Rotarian Phil Benner, 9156 North Stoneridge Lane, Fresno, CA. 93720 or Bob Bitter, 21475 Road24, Madera, CA 93938. For additional information, call Phil Benner at 559-434-4979 or Bob Bitter at 559-674-9551 or Judy Lovett at 209-518-5697.

The distribution trip will be scheduled with the Rotarians in Nicaragua once the funds have been raised. Currently, 63% of the funds are raised and your help will be much appreciated.

Madera Presidential Kick Out

District Governor Tia congratulates incoming Madera Rotary Club President Cyndy Dolph and outgoing Club President Carol Kennedy during the Club's Kick Out party held at the Fossil Discovery Center in Fairmead. Everyone had a good time exploring the museum and mingling with friends and family. Area 10 Assistant Governor Carol Kennedy stepped in as Club President after a brief illness and devastating loss of President Lori Pond. Under Carol's leadership, Madera Rotarians worked hard to successfully carry out the goals and plans that Lori envisioned for her year. Cyndy has been an active Rotarian since 1997. She is a recently retired Associate Superintendent of Educational Services for Madera County Office of Education. Cyndy is ready to Make a Difference!

Merced Sunrise Works With City to Welcome Visitors

Merced Sunrise Rotary member Rich Miller is on the sub-committee to get “Welcome” signs installed on the major entries into the City of Merced. Merced had a couple of majestic signs back in the 1920s, but after Highway 99 was constructed these signs were torn down. The City of Merced is looking to fund the two major entry signs on the north and south end of Highway 99 and asking local service clubs to help raise the money needed for the four other “smaller” entry points’ signs. Merced Sunrise Rotary feels this is a worthy cause and looks forward to being a partner alongside other service groups in Merced to get this project completed.

Modesto Rotary Donations and International Projects Make a Lasting Difference

The Modesto Rotary Club continues to make a difference in the lives of community members as well as people in other parts of the world. What follows are just three examples.

In May, the club made a second \$25,000 donation to the Stanislaus Youth Soccer League to help with the continued construction of a 14-acre complex to serve children and adults in west and south Modesto. The first donation last fall went toward the first phase of building the complex. More than 1,200 children and adults use the facility. The second donation will allow the organization to add three or four more fields, fencing, and gravel in the parking area. "We are pleased to continue our commitment to this important project," said club President Pete Herrmann.

On June 13, the club held its annual International Night fundraiser at the Tuolumne River Regional Lodge. The cuisine reflected the theme, with dishes inspired from the kitchens of Central America. More than 80 Rotarians attended, enjoying a fun night that included a silent auction. The dinner generates about \$5,000 each year, which combined with other efforts, raises about \$20,000 each year for The Rotary Foundation. That money eventually works its way back to MoRo, which has collaborated with other clubs on important and life-changing projects such as a stroke clinic in Brazil, a water purification system in the Dominican Republic, and an oxygen plant in Niger. "The Modesto Rotary Club has continued to increase fundraising for future global grants this year under the leadership of President Pete," said incoming President David Boring. "I'm committed to continuing that tradition so we can serve others, both locally and internationally."

The club also contributed \$10,000 this year toward the new Stanislaus Veterans Center, which brings together a range of health, social and other services for the more than 27,000 veterans living in Stanislaus County. The center opened April 2 in Modesto.

Chowchilla Hosts Multiple Activities at Spring Fair

We've had a fun month of May this 2017 year for our club and community. Every year we get ready for the Chowchilla Spring Fair, held this year from May 18-21. It is our 3rd year in the building, where we were able to provide cold beer and wine with a cool place to sit inside. We had a traditional American Patriot Red, White, and Blue theme inside. Our Host Kerri Williams did a great job along with our Rotary Club members and exceptional volunteers, filling the glasses and making the sales fly back into our community projects.

At the May Spring Fair we also host our annual Kids Day on Thursday, in which we feed our disabled and handicapped kids that deserve a fun break before the fair officially opens at noon. The kids with their chaperones get bused in from all over the valley and mountain areas to enjoy a fun time. Our Rotary Club Host Matt Zimmer has been chairing this event for many years. He organizes, orders supplies, and gets our volunteers organized so that it runs like a well-oiled machine. The kids really enjoy getting their hamburger, chips, and soda after a needed day of fun.

Our 2017 President Geoffrey Barry was also the Chairman for the Pepsi Booth along with co-host Cathey Spradley for the Saturday World famous deep-pit BBQ. Geoff was able to get his Fresno State College fraternity brothers to help also in the busy booth. Thanks guys.

Our volunteers help to make this function able to be so great and we thank them ever so much for all the efforts and time they give us. Please visit the Facebook Chowchilla Rotary Club International Page for current active and past events along with photos and video of fun things. Like us and follow us for the next event from your Communications Chair, Cynthia Kobzeff.

- Submissions should be about Rotary or Rotary-related activities.
- Send your items to the editor:
editor@rotary5220.org . Be sure to include your club's name and a contact person.
- Send complete stories, ready to be published (not story ideas)
- To help us make you look good:
 - Photos: jpgs should be between 500kb and 2000kb. PNG and TIF files also accepted. No .eml files. Links to Flickr, Picassa, or Facebook albums also accepted.
 - Text: Submit as Word doc (preferred) or in body of email. Do not submit as PDF. Recommended word count for text: 150 per story (longer items may be edited)
 - Make sure to caption photos: who is in the photo? What are the people doing? Text can be typed into the email or attached in Word documents.
 - Event flyers welcome; jpeg format preferred. PDF, TIF, PNG also accepted. Flyers may be reduced to 1/3 size when placed in the Rotary Times.
 - Naming Files: please use your club name as part of file titles (I get a lot of "June Rotary Times.doc" files from multiple clubs).
