2018 Rose Parade Float
artist rendering

Planting the
Seeds of Service

Did you know...

- This will be our 39th Consecutive Entry.
- The float is completely funded by generous donations from Rotarians.
- The Rose Parade is viewed live by approximately 700,000 people.
- The Rose Parade has a television audience over 45 million viewers in the U.S. alone... and millions more worldwide.
- Volunteers donate more than 6,000 hours in preparing decorations and applying them to our Float.

*The Float is not a project of
Rotary International*

Why the Float?

Paul Harris said, "In the promotion of Rotary, it is important to reach large numbers and you cannot reach them privately." When Rotary International's directors approved the first entry in the parade over 39 years ago, they saw in it an unrivaled opportunity to bring Rotary's name into public view. They reasoned that an eye-catching float would capture the interest of broadcast commentators and remind the world of Rotary's good works.

And so it has!

The Rose Parade is viewed by approximately 700,000 people, and a television viewing audience of over 45 million in the United States and millions more around the world in more than 200 countries. For the 39th consecutive year we proudly present our float to North America and the world. Each year, more Rotary clubs enthusiastically contribute financial support to this most important Rotary public image project.

Please join your fellow Rotarians and their friends in supporting the 2018 float ***Planting the Seeds of Service***.

The application deadline is Friday, January 26, 2018.

District 5220 covers the area from Madera in the south, to Galt in the north, from Tracy in the west, to Yosemite in the east. The District Scholar application process is open to current college seniors and graduate students who meet one of the following three criteria:

OPEN WORLD
LEADERSHIP CENTER

Open World Program 2018 Announcement

We are pleased to announce new hosting opportunities under the Open World Program during the 2018 calendar year.

The Open World Program is available only to Rotary clubs in the United States, and provides an opportunity to build fellowship and friendship to strengthen international understanding by hosting emerging Eurasian leaders from Azerbaijan, Kazakhstan, Kosovo, Kyrgyzstan, Russia, Serbia, Tajikistan and Ukraine in your community. Rotary clubs are needed to host six-participant delegations for eight days and nights and prepare a professional program related to business, community, and civic life in the United States.

The program focuses primarily on developing a network of leaders who have an understanding of how American communities deal with contemporary issues and who want to maintain contact with their new American contacts and other counterparts. Often, these collaborations lead to service projects between Rotary clubs in the two countries.

Is your Rotary Club is interested in working on an international project, hosting six Open World participants (emerging and/or current Eurasian leaders) for eight days, and willing to develop an intensive week of programs based on a selected Open World theme? Review the Hosting Themes, Host Registration Form and email the completed Host Registration Form to OpenWorld@rotary.org by Monday, 17 October 2017.

Find out more about the Open World Program on www.rotary.org/rotary-clubs or email us at OpenWorld@rotary.org.

Turlock Rotary Participates in Stanislaus County Police Academy Training Opportunity

At its regular lunch meeting on September 5th, the Rotary Club of Turlock played the role of victims to an “active shooter” scenario as part of a training exercise for the police recruits in the Stanislaus County Sheriff’s Police Academy. The recruits were involved in all day training exercises at the county fairgrounds where the club holds its weekly meetings.

The recruits had been told that they were simply walking over to visit the Rotarians for a “meet & greet.” They were unaware that just seconds before their arrival an undercover officer, posing as an active shooter, would rush into the meeting and began shooting at the Rotarians. The club members, who had been briefed ahead of time, were asked to scream and yell to make the scenario as realistic as possible.

The young police recruits, who were in their last week of training before hitting the streets, immediately responded in a highly coordinated fashion by rushing into the meeting, confronting the shooter, and neutralizing him. This was exactly how they had been trained.

After it was over, the recruits remained for their planned meet & greet with the members to answer questions about their extensive training. It was an interesting and enjoyable experience for all involved. The Sheriff’s Department has requested the club’s assistance for further training exercises in the future.

Madera Rotary Club Mixer to Introduce Newer Members

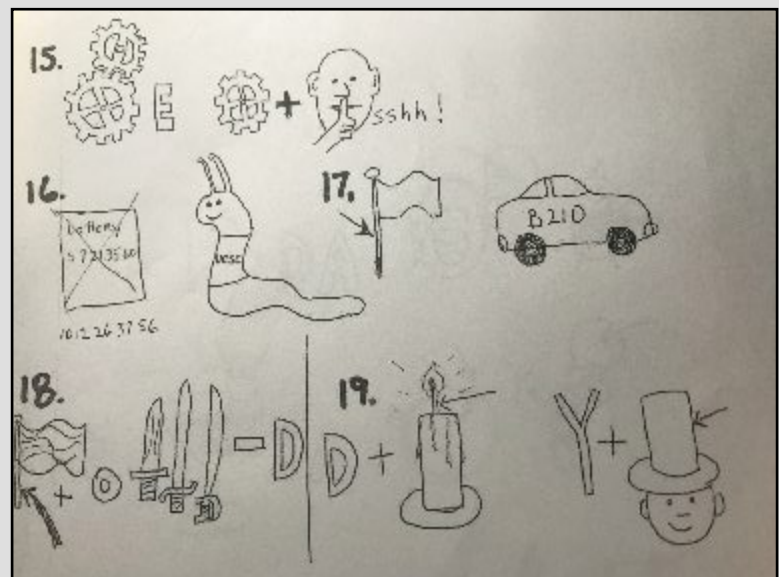

The Rotary Club of Madera has had the pleasure of inducting several new members recently and over the past two years. New members bring new vitality, increased energy, more hands to share the work, and, in our case, youth! However, an influx of new members also brings comments from some veteran Rotarians such as, "I don't even know the names of all these new members." So what's a club to do?

Plan an evening mixer, of course! Over 50 Rotarians from the Madera Rotary Club and a few spouses met on a recent evening in September for the sole purpose of fellowship with new and seasoned Rotarians. The outcome was a relaxed yet high energy party at a nice restaurant with hors d'oeuvres, drinks, and multiple conversations at once.

After introductions of guests and welcoming all newer members and special guest, Eugene Awuah, District 5220 Membership Chair, all members formed a "line up" of members from the most years in Rotary to the least. Naturally, this prompted many conversations about when each person joined, how many years, what other Clubs they may have been members of, and who sponsored them. After counting off, 8 groups were formed that mixed members with a variety of years in Rotary.

Directions to a simple game of deciphering pictographs of Rotarians' names including all the newer members and a few veterans were provided. That "simple game" was a real brain strain for each team, but the competitive nature kept everyone engaged and working hard until time was called and a winning team was declared. A partial list of the twenty pictograph names is shown here. Can you decipher the two PDGs on this list?

Rotary Club of Stockton's Hot Hula Hukilau

The Rotary Club of Stockton hosted a Hot Hula Hukilau (Hukilau means beach party) at the University Waterfront Plaza Hotel on September 9, 2017. Wearing their best Hawaiian shirts and skirts, guests arrived to the sounds of the Ukulele Strummers of Stockton and were greeted by Edison High School's Interact Club members. Party goers dined on a delicious buffet and danced to the tunes of RBX Band.

Silent and Live Auctions prompted guests to bid and raise money to support the club's community, literacy and international projects. Thanks to all our community sponsors, donors, club members and guests that helped the Rotary Club of Stockton to fund needs in our community and around the world.

Little Free Library at Heroes Park

The Little Free Library at Heroes Park in Stockton, California was welcomed today by children and parents alike as the ribbon was cut on a bright and sunny day. Heroes Park is being developed on a dirt lot in a North Stockton neighborhood that lacks a place for kids to play. Calvary First Assembly of God, the Rotary Club of Stockton, the Lions Club, Love Stockton, Presentation Church, Chase Chevrolet, and various private businesses are pulling together to make a difference in this low income and crime troubled area of Stockton. This park will have trees planted through our club as part of the RI tree planting project and eventually a Rotary Pavilion, a small amphitheater that will host free Friday night movies and small concerts, complete with hamburgers and hot dogs.

Oakhurst Sierra Rotary Aids Fire Victims of Mountain Communities

The citizens of Mariposa and Madera Counties in the Sierra Nevada foothills of Central California experienced one of the worst fire seasons in recent memory. The citizens of Mariposa County suffered greatly from the devastation wrought by the Detwiler Fire, as it burned 81,826 acres and destroyed 63 homes, while damaging 13 more. The fire burned for over a month starting on July 17 and wasn't completely extinguished until August 24, according to Cal Fire.

If that wasn't enough, two more fires broke out in Eastern Madera County. The Railroad Fire started on August 29 and wasn't contained until September 17, burning 12,000+ acres in close proximity to Oakhurst and the south entrance to Yosemite National Park. Virtually at the same time the Mission Fire started in North Fork on September 3 and burned 1,035 acres with the loss of 4 homes. There were hundreds of residents who were evacuated. The fire was fully contained on September 13.

Yosemite High School of Oakhurst hosted two football games against high schools that were affected by these fires. On September 15 Yosemite High played Mariposa County High School, and on September 22, Yosemite High played Minarets High of O'Neal's, where many families of the North Fork area attend. Both games are considered "rivalry" games that are well attended. For many in our mountain community these games were a needed respite from the tragedy of the 2017 fires.

The Oakhurst Sierra Rotary wanted to make a difference while showing unity to our sister communities. Club members worked with Yosemite High administration to set up fire donation booths during both games. Yosemite High was thrilled with the idea. Members of Oakhurst Sierra Rotary with the help of the Yosemite High Interact Club set up and staffed the booths. Oakhurst Sierra president Brian Negley coordinated activities.

Overall the Oakhurst Sierra Rotary club raised \$746. during the Mariposa game. At the Minarets contest, \$308 was raised. In addition to these funds, long time Rotarian Donna Pride (30 year pin next month), challenged our members to pledge at least \$1,000 by the end of September for the victims of the Mission and Railroad Fires. If they did, she would donate \$1,000 herself. With one weekly meeting left this month, we have already exceeded the \$1,000 minimum.

The answers can be found at the end of this article.

Marion Lafler, chair of Mariposa Yosemite Rotary's Historic Plaque Committee, is assisted by numerous Rotarians who also garner much-needed help from local historians and the Mariposa History Museum. The committee spends months researching the history of each site, writing the text, obtaining approval from building owners, and then sending the final text to the foundry. Committee members David Butler and Ron Iudice, install the plaques for free. Butler even provides slate backings for most of the plaques.

The plaques, which cost \$520 or more each, are paid for by building and/or business owners, Rotary, or generous community members. The committee is also working on a plaque for The Mariposa Hotel and Bling N Things buildings. There is the potential for 43 plaques and the committee hopes to expand to Coulterville and possibly Greeley Hill in the future. There are plans to add markers to the sidewalks to help people locate the plaques.

Turlock Sunrise Revitalizes Children's Play Park

The Turlock Children's Play Park was an idea generated by Augusta Bates in 1998, who was 10 years old at the time. Augusta envisioned building a local park that was similar to a play park in the nearby city of Oakdale for the city of Turlock.

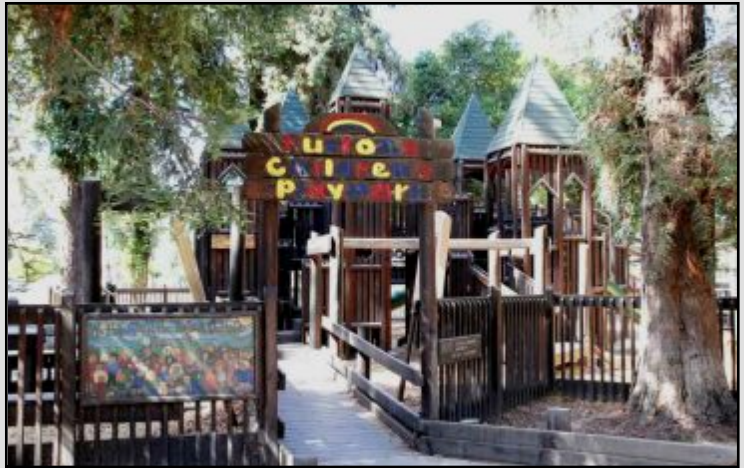

Augusta visited more than 20 local civic groups and businesses and was able to raise \$90,000 to cover the cost of building the park. With the costs covered, the hard work began as the park was built in only five days with the assistance of 2,400 volunteers who volunteered their time, talents, and tools to this project. Rotary was a major donor for the park and provided both financial assistance and volunteer support.

One interesting aspect of the project was the fundraising through selling 12" x 12" custom decorated tiles for \$25 each. The tiles were purchased by many local families and business and then decorated with their individual stories. The Turlock Children's Play Park was completed on April 19, 1998 and remains a popular destination for many of our local children.

After nearly 20 years, the park was beginning to deteriorate, and Turlock Sunrise Rotary decided to support a local work day to assist with many of the repairs needed, including tile replacements, wood repairs, weatherproofing the wooden structure, and repainting areas that had dulled over the years. Rotary was fully supported by the City of Turlock Parks & Recreation Department, as well as the Pitman High School basketball team.

It was an amazing workday that helped return the park to its original glory and work with local youth to demonstrate our motto of Service Above Self. Turlock Sunrise Rotary is very proud of the work completed and is working to establish an annual work day to help maintain the park for our future generation of local children. At the conclusion of the project, Turlock Sunrise Rotary attended the Turlock City Council meeting to provide an update to the City leadership and recognize the efforts of all those that participated.

Rotary Club of Salida Community Service Projects in September

Rotary Club of Salida is working to be a leader and promoter of our Community. This month was fall clean up time in downtown in Salida. We had members trimming and cleaning up the Main Street ahead of the community Festival and parade.

The week of September 16 we promoted the work of Rotary, by entering the Salida Community Festival Parade. We were pleased to have two vehicles and multiple club members walking and riding to promote the work that Rotary Club of Salida does right here at home. Thank you to Modesto Toyota, and owner Kevin Stinson for the nice new Toyota truck used to display banners promoting some of the work that the club does. As a small club of ~20, Rotary Club of Salida has:

- Given over \$100,000 in local scholarships to high school students.
- Given a dictionary to every 3rd grade student in Salida public schools.
- Planned to plant one tree for every member in our community parks this year to meet our RI president's goal.
- Worked to promote the message of Rotary with our THIS CLOSE campaign.

Thank you to Janice Vella our Club Chair, Ashley Barboza our Community Service Chair, and to the "Lions, Tigers, and Bears" that are working in teams to bring fun and excitement to Rotary. Join us. You'll Love it...

Groveland Hosts Successful Shrimp and Sausage Feed

The Groveland Rotary held their annual all-you-can eat Shrimp and Sausage Feed on Saturday, August 26 and it was a big success. We would like to thank everyone who supported our annual event. It was a very warm afternoon/evening event but we made it work even though our body temperatures may have risen a bit!

This event supports Rotary's many local community projects such as "Shoes for Kids", the "Easter Egg Hunt", dictionaries for third grade students, cleaning the highway, scholarships, etc. Without your support we would not be able to fund these projects.

Many comments were heard about the Shrimp Fest being one of the best ever. We would have to agree! Heartfelt thanks to all Rotarians and others who participated and to our local youth who were a tremendous help in serving the food. Particular kudos to Greg Cramblit, Paul Burkett, Sharon Hunt, and Karen Seals. They handled the shopping for the food, getting the auction items donated and serving the food. All other participants did an equally outstanding job but there are too many of them to mention. Oops, almost forgot to mention all the "younger" men who did the heavy lifting in setup and cleaning. Without them this event would have not been possible. Thanks so very much again to everyone!

Please consider joining us next year for this event. We guarantee you will enjoy it!

2017 Oakdale Rotary Wine Extravaganza

Oakdale's Wine Extravaganza was another successful and very fun event. We had over 300 people come to taste 153 wines and spirits from 75 different vendors. Those 300 people helped raise over \$12,000! Our major benefactors this year were the Oakdale Joint Unified School District's Ag Department to help fund their new school farm and our second benefactor was the Astro Foundation that helps find homes for cats and dogs. The rest of the proceeds will help with our many other community projects and organizations that we support.

The club would like to thank all those that attended and the liquor distributors that poured all the samples for us to taste! A good night was had by all!

Mariposa Yosemite Rotary Scholarship Golf Tournament

The 2017 Mariposa Yosemite Scholarship Golf Tournament featured 62 energetic golfers on Ahwahnee's River Creek Golf Course. Seven major donors, nearly 100 hole sponsors, and Rotarian volunteers supported this event, which annually raises funds for college scholarships. Over the past 12 years the tournament has allowed the Mariposa Rotary Foundation to award in excess of \$224,000 in scholarships to graduating seniors from Mariposa County. Last year, the Foundation awarded \$28,000.

Winners of the tournament are Jake Wackerman, Jeff Aranguena, Dan McMonegal and Jason Smith.
